## PROGRAM DESCRIPTIONS

<b>Birding for Beginners</b>	People who want to learn the basics of birding can join us each week for this hour long program that will discuss the use of bird guide books, bird lists, and binoculars. We will then go out and try our new skills in bird watching.

<b>Sunday Afternoon Family Program</b>	Each week for one hour we will explore a different aspect of the flora and fauna here at Mt. Tom. Active audience participation along with hands on exploration will be the highlight of each program. These programs are geared for the whole family and all abilities.
<b>Senior Hike</b>	People age 55 and up can join in on this hour long hike that will travel on one of Mt. Toms' beautiful trails. The terrain will be easy to moderate and the pace will be slow with a number of stops. Nature topics will be discussed along the way. Bring water and bug spray.
<b>Teatime at Tom</b>	People who have a hard time hiking or walking can enjoy this program where we sit outside the visitor center and soak up the nature around us. Various Natural History Topics will be discussed. Free tea and cookies will be provided for this hour long program.
<b>Junior Rangers/Nature Kids</b>	Children ages 5-6 can earn Jr. Ranger status by attending these hour long programs each week. Through nature games, crafts and exploration, children can qualify for a Jr. Ranger patch and certificate. (Children ages 7-9 will have their opportunity in August to be Jr. Rangers)
<b>The Explorers Club</b>	Children ages 10-12 can further their nature studies by attending these weekly hour long sessions. We will take a closer look at various habitats along with extended hikes through the Mt. Tom range.
<b>Life Around the Lake</b>	The watery world of Lake Bray will be explored for an hour each week. The subjects will range from dragonflies, to frogs, to beavers, to reptiles, to birds, to various plant life. Be ready to be step in mud or other messy situations. <b>PROGRAMS START AT LAKE BRAY.</b>
<b>Hiking the Mt. Tom Range</b>	Each week we will travel on one of the great trails on the Mt. Tom Range. The terrain will be moderately strenuous at most and the pace will be slow enough to take a closer look at the wonder of nature. The hikes will last from one to two hours. Be sure to bring water and bug repellent with any other desired equipment (binoculars, snack, etc.)
